GTT CENTER PERTH

WA's first premium waiting experience for pregnant women having the Glucose Tolerance Test (GTT)

Our research found no equivalent venue in WA. This is our own finding, not an audit.

Pre-launch. No venue yet. No launch date set.

DRAFT 2026-10-11

Working name. Pitch deck v0.4.

The problem

Wait time

2 to 2.5 hours

Some sources say up to 3

Setting

Waiting room

Bare pathology room

Care during wait

None

Fasting, tired, cannot leave

- The GTT is a standard pregnancy screening test.
- Nearly every pregnant woman is screened.
- Gap: no WA venue turns this wait into a care experience.

The wellness solution

Massage	Nails	Hair	Beauty

- Blood is drawn on site in a private collection room.
- 2 in-house certified phlebotomists (trained to draw blood).
- Services fit between draws. A draw never interrupts a service.
- Staff are employed (casual or permanent). Not subtenants.
- Venue and lounge access is free inside every package.

Not in launch scope: 3D keepsake ultrasound (possible Phase 2, never diagnostic).

Market size

Greater Perth births per year (2024)

26,790

WA births per year (2024)

33,570

Perth GTT tests per week (proxy)

about 515

26,790 births divided by 52. Births used as a stand-in. TO CONFIRM

Our planned capacity

108 AM slots a week

About 21% of Perth's weekly tests

Source: ABS Births, Australia 2024, as analysed by KPMG. Preliminary figures.

How a visit works

1. Book and pay online in advance.
2. Arrive fasted. Check in and consent.
3. Draw 1 (about 5 minutes), then service 1.
4. Draw 2 at 60 minutes, then service 2.
5. Draw 3 at 120 minutes. Relax in the lounge.
6. One courier pickup of the day's samples at the end of the morning. GTT does not diagnose or interpret results.

First client
07:00

Clients per day
up to 18

Collection rooms
2
2 chairs, 2 phlebotomists

Trading days
Mon to Sat

Lab partners

What we offer

- A steady morning stream of GTT patients at one site (up to 108 a week at capacity)
- Our own certified phlebotomists
- 2 dedicated blood collection rooms built to national standards (NPAAC)
- One pickup a day, end of morning
- We earn nothing from pathology billing

What we ask

- Courier pickup
- Lab testing
- Results reporting to the doctor
- Tubes and bags
- Collection-room spec in writing
- Costs

NPAAC = National Pathology Accreditation Advisory Council

Predictable daily volume

Bookings 2 to 4 weeks ahead + waitlist = predictable daily volume for courier pickups

Book ahead

2 to 4 weeks

Prepaid online booking inside the usual 24 to 28 week referral window

Waitlist

Always on

Backfills cancellations so each released morning stays full

Pickup

One a day

End of morning, with the sample count known in advance

- Each morning's client count is confirmed days ahead, so the lab can plan for the expected samples.
- We share the forecast before each week. The pickup stays one per morning.
- Mornings are filled in planned steps, so volume does not swing day to day.

Planned operating model. Pre-launch, no trading data. Forecast format and timing TO CONFIRM with each lab.

Pricing

GTT Package 1

A$250

Venue and lounge free + 2 x 30-minute services

GTT Package 2 (most flexible)

A$300

Venue and lounge free + 2 x 45, or 45 + 30, or 2 x 30 minutes

PM Refresh

A$185

75 minutes: massage + mini facial

PM Restore

A$135

75 minutes: manicure + blow-dry

- Prices are our own. Not tested with customers yet.
- Pathology fee is separate. Out-of-pocket estimate A$0 to A$80, TO CONFIRM.

The site we need

Venue size (minimum)

257 to 290 sqm

Dedicated blood collection rooms

2

- Lease sought: 3 years + 3-year option.
- Collection-room spec in writing from the labs before any lease is signed.
- Collection room standard: NPAAC (Guidelines for Approved Pathology Collection Centres).
- An architect is engaged once a site is chosen.

Status: no venue, no lease, no heads of agreement yet.

Roadmap and gates

Stage	What happens	Gate
0	Venue search. Pathology partner talks. Waitlist can start early	None
Gate A	Lab agreement in place (PathWest and/or WDP)	Written terms
Gate B	Venue location confirmed	Site and lease terms
1	Venue Manager hire. Lease. Architect and fit-out quotes	A + B
2	Recruitment of phlebotomists and treatment staff	Venue Manager in place
3	Training, test runs, soft open, public launch	Fit-out done, staff hired

No calendar dates. Launch is undated. Go-live trigger: first confirmed customer booking.

DRAFT

DRAFT for Anthony's approval. Not for distribution until approved.
